

“ ....they were very good at communicating with us and we had a good response...they did a splendid job, and should be commemorated...”

## The Client

Vale Builders Southern Limited is a Hampshire Based Commercial Contractor.

## Our Contact

Karen Whitehead  
Office Administrator  
Vale Builders Southern Limited

## The Project

New build Public House

## The Value

£1.8 Million

## The Challenge

Vale Builders Southern Limited approached BR Network again to assist in finding interested sub-contractors for various different trades on this project which was out of their normal working area.

## The Solution

Tender Alerts immediately sent to all relevant sub-contractor customers covering each trade.

All sub-contractors also received a telephone call to confirm interest and e-mailed further information on the job.

## The Results

The job was successfully delivered with all trades and Tenders sent to BR Network Customers to price.

Vale Builders Southern Limited continue to use BR Network to assist with both Secured and Unsecured work.

“BR Network saved us a lot of leg work and helped us out a lot when finding sub-contractors outside our local area. They were very good at communicating with us and we had a good response from the sub-contractors they put forward. They did a splendid job, and should be commemorated”
